Forum: One day in Hunedoara

Subject: Where to go? Help! I'm only here for one week and I don't know what to do. What is there to do/visit? Thanks!

My city is very amazing - there are many places to visited here like historical places, museums, etc. For the first time, go straight ahead onto Spring Street, then turn right ahead and across the road you will see the Corvinilor castle. It was exciting to be there! Next to Ben restaurant you will find many places with historical things and opposite you will saw the museum of art and history of the county Hunedoara. There are many locations to visited and you have a whole day for that. Finally, we will go to eat dinner at the restaurant on the corner where are the best burgers froms town! Ok, I see you soon! Take care!

Comment:

- **Go straight ahead onto Spring Street... From where?**
- **You say: Finally, we will go.... - BUT you don't know this person, you won't go with them. Why we?**
- **You should use present simple or the base form of the verb, NOT past simple! (~~to visited, it was, will saw~~ --> to visit, it is, will see)**

Question 2

Complete

Mark 20 out of 25

Write a short paragraph about your last holiday. (25 p.)

- **Remember to use past simple, sequencing words (then, after that etc.), as well as adjectives with -ed/-ing.**
- **Write about 50 words.**

For example:*Last summer, I went to Vietnam. It was amazing!...*

Last year, in October I was at my cousin in London (UK). It was an amazing experience! I visited many beautiful places and I felt excited there. I stayed three weeks in London and I visited many places. The London Bridge was very interesting place for pictures, views and more that. I saw many romanians there who take very kind care of us. The time I spent there wasn't boring and I was very delighted about this city. It was a pleasure to go to London! I served a very tasty meal and a tea called: Twinings in London. I really liked this town beacuse people are much more interesting than are in Romania.

Comment:

- **Good!**
- **interesting, not ~~intersting~~**
- **Romanians - nationalities start with a capital letter**
- **I served - am servit eu pt alti oameni // I was served - am fost servit eu, adica am mancat eu**
- **"I saw many Romanians, who were very kind to us."**
- **"The London Bridge was a very interesting place to take pictures."**
- **You didn't use sequencing words: first, then, after, after that, before, in the end...**
